United States Pharmacopeia Dietary Ingredient Verified Certificate

Certificate Number: DIV-PAR-03
Valid: April 2, 2015 – April 26, 2017
Initial Certification Date: August 29, 2005

Name of Dietary Ingredient: Organic Spirulina (*Arthrospira Platensis*) Powder

Dietary Ingredient Item Code: 01

Name of Holder: EID Parry (India) Ltd., Parry Nutraceuticals Division

Corporate Address: Dare House, 3rd Floor, 234, N.S.C. Bose Road, Chennai, India 600 001

Site of Production: Oonaiyur, Pudukottai District, Tamil Nadu, India 622505

EID Parry (India) Ltd., Parry Nutraceuticals Division voluntarily applied for verification of the Organic Spirulina (*Arthrospira Platensis*) Powder under USP's Dietary Ingredient Verification Program. During the verification process, USP conducted an on-site GMP audit of the production sites referenced above, reviewed the relevant manufacturing and quality control/quality assurance documentation, and performed laboratory testing of the ingredient. After examining the information EID Parry (India) Ltd., Parry Nutraceuticals Division provided to USP during the verification process, USP finds EID Parry (India) Ltd., Parry Nutraceuticals Division's quality system provides adequate assurance that the Organic Spirulina (*Arthrospira Platensis*) Powder, manufactured at the site above, meets the applicable monograph requirements set forth in the current edition of the *United States Pharmacopeia-National Formulary*, or such other criteria deemed suitable by USP.

The information submitted to date represents randomly selected lots, produced in March 2014. In order to maintain verification status, manufacture of Organic Spirulina (*Arthrospira Platensis*) Powder must continue to take place under the same conditions submitted in the reviewed documentation.

USP is pleased to award this certificate to EID Parry (India) Ltd., Parry Nutraceuticals Division.

John B. Atwater, Ph.D.
Senior Director, USP Verification Programs

This certificate remains the property of USP. USP issues this verification certificate for a period of three (3) years from the date hereof or until any major change in production has taken place, as defined in the license agreement and/or the USP Dietary Ingredient Verification Program Manual for Participants. Failure to comply with the provisions of the manual or the license agreement shall render this certificate void, and the right to use the USP Verified Mark on the ingredient will be withdrawn. To check the validity of this certificate visit www.uspverified.org.
